

FEBRUARY NEWSLETTER 2018

We are inviting all students to be in our **Scale Olympics Celebration** on Saturday, March 24th at 4:00 in the Gibson home. This is our Spring Fundraiser, to benefit our talented scholarship students, and those who would not have music lessons otherwise. **We will be selling T shirts** with this logo on them for \$15 per student, or \$40 per family group. Publicity pictures will be taken on our stairway, and this will help us when we apply for grants again.

Each student has been given a challenge to develop their own skills. We will award a Gold Medal to all who complete their level of study for the instruments they play, and some are doing this on 2 or more instruments. We will play scales, chords, and arpeggios on the piano, harp, guitar, strings, and more. The most exceptional students on each level of study will earn a Trophy. The top student for each instrument will play for our Olympic Celebration, and refreshments will be served!

NEW RAFFLE!

#1 I'm so excited that we have been able to get another **88 key Digital Piano Vida XL** to raffle off, with the students earning 1 key for every 10 scales and chords they can play on the piano! You can also buy a key for \$5 each-at the closing. The one with the most keys wins the piano!

#2 **Oscar Schmidt ¾ Classical Guitar** is beautiful with mother-of-pearl trim and 21 frets. You can earn 1 fret for 5 Scales and chords. You can also buy a fret for \$5 each. Whoever gets 21 frets first, gets the guitar!

#3 **Diamond Head Ukulele in any color!** 15 frets are smaller, and fun to play. You can earn one fret with 5 scales and chords. If you want to buy a fret, they are \$5 each.
